Designed by Barbieri Magalini

Barbieri Magalini is a creative duo, founders of the creative consultancy agency MM Company and the magazine Caleido Diary. They curate the creative direction of brands and projects in the furniture, fashion, and interior design field, in a phygital dimension, guided by a kaleidoscopic vision inspired by the values of Made in Italy. Their distinctive approach is characterized by a convivial and humanist spirit, which aims to create meaningful connections between people, promoting design culture, social interactions, and creativity.

@BARBIERIMAGALINI

Handmade in Italy

**All furniture pieces are produced
by an Italian craftsman,
selected by Barbieri Magalini,
who makes manufacturing
and cultural excellence its strength.
All products are available in bespoke
dimensions and materials.**
